Additional English Language Programs at Yale

The English Language Program at Yale (ELP) **[3]**

The ELP was created specifically to support the English language academic and professional development needs of Yale students and scholars. The ELP offers academic courses in speaking, writing, vocabulary, Teaching in the American Classroom, and Professional Communication Skills to prepare students for their academic classes, teaching, professional presentations, and careers beyond Yale. The twelve-week courses meet in the Center for Language Study (CLS) [4] Well-equipped multimedia facilities with specialized software and self-study material are also available for use in the CLS by Yale international students and scholars with a valid ID.

Yale English Language Institute **[5]**

Offered during Yale Summer Session B, these non-credit summer certificate programs offer international students the opportunity to participate in the classroom experience offered by our amazing instructors. You'll improve your English and develop skills that will help you with your academic or professional careers.
