Statistics & Reports: 2019

The statistical reports of Yale’s international student and scholar communities are posted on our website each year. You may also be interested in the national census of international students and scholars, Open Doors [1], conducted annually by the Institute of International Education (IIE). For general Yale data, refer to the OIR Factsheet [2]. Please email Ann Kuhlman [3] with any questions about the data below.

Students Scholars

**Students**

![Bar chart showing international students](image)
