The statistical reports of Yale's international student and scholar communities are posted on our website each year. You may also be interested in the national census of international students and scholars, [Open Doors](#) [1], conducted annually by the Institute of International Education (IIE). For general Yale data, refer to the [OIR Factsheet](#) [2]. You may zoom on the map below to see statistics for a particular country. Please email [Ann Kuhlman](#) [3] with any questions about the OISS statistics.
