Appointment Titles
The following are academic appointment titles which require approval from the appropriate university office before the OISS Connect record is submitted to OISS. Please upload evidence of the approval to OISS Connect when creating the record.

- Postgraduate Associate
- Postgraduate Fellow
- Visiting Fellow
- Laboratory Associate
- Visiting Undergraduates Participating in Research or Clinical Activities [1] have specific requirements.

Details About the Appointment Process

- Office of Postdoctoral Affairs Central Campus [2]
- Office of Postdoctoral Affairs Medical School [3]
- Provost's Office [4]

Note: Undergraduates seeking J-1 Student Intern sponsorship require evidence of the Yale appointment approval before OISS can process the visa. Please review information from the Office of the Provost regarding the appointment procedures here. [4]
