
Community Conversation: Discussing Recent Events in the U.S.

Tuesday, April 6, 2021 - 12:00pm to 1:00pm
New Haven , CT

Join OISS for a community conversation with fellow international students and scholars to discuss how it feels to live in the U.S. right now and process all of the recent events that are taking place around the country. We want to hear how you are doing and what is on your mind.

This program will be facilitated using a circle framework which allows for everyone to discuss and share what they are feeling in a supportive space. This talking circle will be co-facilitated by Catherine Banson, the Wellness Counselor at Yale Law School, and Molly Hampton, Assistant Director of Programs at OISS.

This conversation is open to the Yale community.
