Community Service: East Rock Park Clean-Up

Saturday, May 5, 2018 - 10:00am to 1:00pm
New Haven, CT

We are so excited to be partnering with the Friends of East Rock Park in honor of Yale's Day of Service. Each May, thousands of Yalies from around the world participate in various volunteer activities to give back to the communities that they are a part of. This year, OISS is bringing our international community into the mix with a day of service at our beloved East Rock Park! Join volunteers from Friends of East Rock and a Park Ranger for spring park maintenance including clearing brush, planting bulbs, mulching, raking, and trash pick-up. Friends of East Rock Park is a community and environmental advocacy group which encourages neighbors to meet each other, celebrate the environment, and become stewards of the park. Come prepared for outdoor work with clothes that can get dirty and closed-toed shoes. Children are welcome as long as they are supervised by their parents at all times. (Steady rain will cancel the event, and we would be in touch to let you know). After the clean-up, join us for an optional smoothie or snack at mActivity cafe nearby!
