Don’t miss this summer’s trip to the Yale Outdoor Center! Located about an hour away in East Lyme, CT, the Outdoor Center is nestled on the south shore of a beautiful mile-long lake, surrounded by 1,500 wooded acres. We’ve put together a great day for you, so your ticket price includes:

- Roundtrip transportation on an authentic school bus (field trip!)
- Entrance fee for the day
- Access to a private pavilion with picnic tables and benches
- Access to basketball and volleyball courts
- All-day access to stand-up paddleboards, kayaks, boats, canoes, and swimming
- Bring along your own food and drinks, outdoor gear, or just a book to read while lounging around.

The Outdoor Center is only open during the summer, so don’t miss this unique opportunity to spend the day outside, enjoying everything that summer in CT has to offer! The bus will leave at 8:45am from the OISS and return back to New Haven around 5pm. This program is rain or shine!

Note: The OEC is available only to members of the Yale Community and must you be 15+. You must bring your own food as there are no vendors there. All ticket sales are final and no refunds will be given.
