Happy Hour: What's Your Intro Song?

Tuesday, June 23, 2020 - 4:30pm to 5:15pm
   New Haven , CT

Over the course of the summer, OISS will host a bi-weekly happy hour, each with a different theme, to provide a space to connect and socialize with new and old friends.

In our first happy hour, we will learn what everyone’s intro/walk-on song would be! What song would they play if you were a professional athlete as you walked onto the field? Or the song they would play as you walked on stage to accept a major award?

Have your favorite 30 seconds of your song cued up for the happy hour so you can play it for the group to enjoy. We can’t wait to hear what you pick!

Open to the Yale Community & newly admitted students.

Please register to receive the Zoom instructions to join the event.
