International Skribbl Tournament

Monday, September 7, 2020 - 8:00pm to 9:30pm
New Haven, CT

Join Robin, OISS Orientation Assistant, for a fun night of Skribbl, a fun doodling game where players guess a word through player’s drawings (similar to Pictionary).

In this Skribbl tournament, you will have the chance to fully immerse in a game that stimulates the imagination and agility of the brain. You will join a group of fellow international students to show your creativity and skill. Join us on September 7th and get ready to draw!
