

## A large collection of board game boxes is shown, stacked together. Visible titles include Carcassonne, Ticket to Ride, Hive, and others. The boxes are arranged in a way that shows their covers and spines, creating a dense display of board games.

Don't miss our summer edition of Pizza & Games night at the OISS! Join us any time between 3-9pm for board games, food, and good company. We will be co-sponsoring with the amazing Ludi et Veritas for a fun Saturday afternoon, in celebration of the birthday of the founder of International TableTop Day! If you have a personal board game of your own, feel free to bring it along! And if you don't know anything about board games, there will be plenty of people here to teach you. Did we mention raffles and a chance to win a board game of your own? Needless to say, this is one night you don't want to miss. This event is free, but registration is required. Space is limited! Open to the Yale Community but children must be 12 years old or older to attend.
