At this time of year, you cannot miss some of the spectacular drive-through holiday lights in the area! These are our top four favorites, but please let us know if you have more you want to add to the list. Most of these are open through the beginning of January, so make sure to check this off of your list in December!

- Fantasy of Lights - New Haven [1]
- Festival of Silver Lights - Meriden [2]
- Magic of Lights - Wallingford [3]
- The Reed House - Clinton [4]

We've also compiled a few other fun holiday activities that the OISS staff enjoy during this season for you to check out: https://pin.it/5Dcy6Xx [5].
