Lunch & Learn at Yale Farm

Monday, October 3, 2022 - 12:00pm to 1:30pm
New Haven , CT

OISS is excited to partner with [Yale's Office of Sustainability](#) [1] as part of their [Celebrate Sustainability Week](#) [2] for a lunch and learn at [Yale Farm](#) [3]!

Join us for a 30 minute tour of Yale Farm and a guided discussion over lunch about the Yale Sustainable Food program, urban agriculture and where the farm fits in when looking at problems of urban food distribution, and how Yale Farm has been used as a launchpad in the past to discuss the past and present of Connecticut and how events have shaped what we exclude and include from historical accounts (e.g. Quinnipiac disempowerment).

We will begin with the tour of the farm, followed by lunch and discussion.

Registration is required for this program and is open to the international community.
