Navigating Immigration: How to Talk to Employers about H-1B Sponsorship (2017)

Thursday, October 12, 2017 - 4:00pm to 5:30pm

This year OISS will host several information sessions in a series called Navigating Immigration. This first session is intended for students who will soon graduate and are looking at career options in the U.S. Although for most the starting point is to apply for F-1 Optional Practical Training - this session will look beyond that and help plan for the future. Topics will include how to research whether or not an employer has sponsored H-1B employees in the past, the costs associated with sponsorship, the different stages in an application, transitioning from OPT to H-1B and more. There will be a brief overview of the key issues, and then we will open up for questions.
