OISS Zoom Room - A Conversation with Yale's Good Life Center

Friday, October 2, 2020 - 4:00pm to 4:45pm

New Haven, CT

OISS is excited to announce a new series of events titled, “OISS Zoom Room”! This series of programs will take place throughout the year at 4pm for 45 minutes during the week and feature different campus resources and speakers. The goal of these sessions is to offer a safe and informal space for you to engage in Q&A with different campus resources, and learn a little bit more about what they do and how you can access them.

Our first OISS Zoom Room features a conversation with Alexa Vaghenas, Yale’s Woodbridge Fellow at Yale’s Good Life Center! Alexa will give an overview of wellness resources available at the GLC and talk about this year’s theme of programs around Compassion & Action. We will then open up the floor to informal conversation & Q&A.

OISS Zoom Rooms are an excellent opportunity to not only connect with campus leaders and resources, but to also meet fellow international students and scholars and grow your community on campus. We hope to see you there!

This session is open to the Yale community, and we encourage you to come with your questions and willingness to engage!
