
Have you ever handmade a Valentine's Day card? Or celebrated Valentine’s Day? Join us for a night of crafting and card making at the OISS and walk away with unique cards to give to your favorites on Valentine’s Day. We will provide all of the craft materials you need, along with a few chocolates to sustain you throughout the evening! We’ll be collecting a $2 donation for our Arts & Crafts fund at the door, so please bring cash with you. Advanced registration is required, in order to provide you with enough materials. Note: This event is primarily geared towards adults, but children 7+ are welcome to attend. That said, please note that all parents are responsible for the safety and well-being of their children throughout the program.
