Work After Graduation for PhD Students: F-1 Optional Practical Training

Friday, February 5, 2021 - 4:00pm to 5:30pm
   New Haven   , CT

Interested in working in the U.S. after graduation? You may be eligible to apply for F-1 Optional Practical Training, a work authorization based on your F-1 student visa. This session will cover some of the basics of OPT and how to apply.

Two very important factors to know before attending are: 1) You do not need a job in order to apply for OPT and 2) You must be physically present in the US in order to apply for OPT.

This presentation will be recorded so if you cannot attend, please still register so you can receive the recording and slides.

You will receive the Zoom instructions once you register for the orientation session.
