Hello from OISS,

As you are preparing for your departure, we have started preparing for your arrival. The most important opportunity for us to meet you will be the required OISS Orientation and Check-in session. This event will serve the dual purposes of helping you understand the responsibilities of your immigration status and introducing you to your new community and life at Yale – including current Yale students.

Check-In and Orientation [1] dates and content vary by school. Depending on your school, you will either receive a link to register or an invitation from Eventbrite. Coming soon, stay tuned.
