For Departments

ISD and OISS Connect Updates

December 4, 2019: As OISS transitions to the new database, OISS Connect, departments will have limited access to ISD. Learn about current protocols, training resources and other tips and tricks with the new system.

[1]

Inviting a Scholar
Before making a request for visa sponsorship, the host department needs to secure an academic appointment through either the Office of Postdoctoral Affairs, the Faculty of Arts and Sciences Dean's Office or the Yale Medical School Office of Faculty Affairs.

Department Responsibilities

Hosting international faculty, staff or trainees in your department comes with the normal university protocols for any new hire/appointment, in addition to a few additional details.

About Visa Categories

Visa categories most often used by Yale international scholars. There is also a very brief explanation about the category and an indication of how the category is used for Yale appointments.
