Health Care

Before You Leave Home

Be sure to have your medications, prescriptions, travel insurance, and new medical insurance lined up before you leave. Also, consider scheduling final doctor and dentist check-ups before you leave home.
Dental & Vision Care

In the U.S., dental and vision insurance are not included in your overall medical insurance, so make sure to purchase additional plans to support all of your needs.
Health Care Coverage

Depending on your Yale affiliation, you will have different options for coverage for health insurance. Make sure you are informed to what is available to you.
