You're Almost Here!

OISS invites you to join us for a virtual orientation upon your arrival in the U.S. which is held the first and third Wednesday of every month. You will receive instructions on how to register for your orientation through an email from OISS Connect approximately 10 days before your arrival in the U.S. You should choose the orientation closest to your arrival in the United States.

We recommend reviewing the new scholar orientation slides [1] in advance of your orientation session. We encourage you to read through the information and come to the session with questions. If you have questions before your orientation session, please email your OISS adviser [2].
