Using a Web Browser (Computer)

1. Log into Yale Connect [1] with your Yale NetID and password.
First, click on the **Sign In** button:

Then click on the **Login with your Yale CAS Information** button:

2. Once you are logged in, click on one of the following links to access the app:
   - OISS Passport to Yale for Graduate & Professional Students [2]
   - OISS Passport to Yale College [3]

Important Note:
If you are an incoming student and **should** have access to one of the above apps **but do not**, please email Alina Nevins [4].

**Using the YaleUConnect App (Mobile Device)**

You can follow the instructions above to access the mobile version of the website, or download the YaleUConnect app for for Apple [5] or Android [6] devices. Instructions for accessing the OISS Passport to Yale app from the Yale Connect app are below.

1. After downloading the YaleUConnect app, open it on your mobile device:

2. Select ‘OISS Passport to Yale’ for graduate & professional students, OR ‘OISS Passport to Yale College’
3. Click the **Login with your Yale CAS Information** button:

4. Once logged in, you will be taken to the OISS Passport to Yale app:
