Meet our OISS Student Workers!

Each year OISS hires a few undergraduate student workers to help us around the office, and this year we have a brand new crew!

These friendly faces will often greet you when you walk into our office and they look forward to meeting you when you stop by this semester. Today, meet Afia!

“Hello everyone! My name is Afia Sarpong Frimpong and I use she/her/hers pronouns. I am a senior in Berkeley College and I am majoring in Biomedical engineering. I love reading (fiction) in my leisure time and I do a bit of drawing as well. I also sing with the Yale Gospel Choir on campus - visit our YouTube page for some great music! I am happy and grateful to be on campus now and to see lots of people. Stay healthy and happy! “
