

Chinenye Okafor

Meet Chinenye, our #humansofOISS this week!

Q. Where are you from and what are you doing here?

My name is Chinenye Okafor, and I come from Nigeria, and I'm here at Yale doing a Masters of Public Health. I graduate this year!!

Q. What is your favorite thing about where you come from?

My favorite thing about Nigeria is the multicultural setting! I love the variety in foods, the richness of tradition, and the varying and intriguing perspectives of the people.

Q. Tell us about the picture you chose to represent you.

In the pictures above, you can see me when I was a physician in Nigeria. I worked in Covid-19 isolation centers during the Covid-19 period before coming to Yale!
