

**Gamze****HUMANS OF OISS! Welcome Gamze**

Hey everyone! My name is Gamze. I am from Istanbul, Turkey, and I am a first year at Pauli Murray. I'm planning to study psychology and idk, something humanities:) I love studying film, writing, and reading historical fiction. At Yale, I'm currently involved with journalism, student-run review magazines, and research projects on psychology. During my spare time, you can see me listening to my jumbled playlists on Spotify or taking long walks (I'm still trying to explore NH). And a fun fact about me: Gamze means dimples, so I was named after my dimples:) Feel free to reach out to me if you want to chat!
