

Joanna Chen

Over the next four weeks, we will introduce you to this year's Orientation Assistants (OAs) for our Graduate & Professional Students. Our OAs are here to help incoming G&P students, and will be posting regularly on our CampusGroups page with tips and advice for the new class! Help us welcome each of them to the OISS team.

Today, meet Joanna Chen. "I am originally from China and am a biostatistics student in the Yale School of Public Health. I love Sally's Apizza and the food trucks near the med school! Before college, I was a professional music student and to this day still love to play the piano." She can't wait to work with all of you!
