

## Kay Ellison

Today, we introduce you to Kay Ellison, another member of our amazing Orientation Team!

"Hi, I'm Kay! I was born in Finland and grew up in Italy and the UK. I'm a rising second year in the Neuroscience track of BBS at the Yale Graduate School of Arts and Sciences. I really enjoy spending time outdoors, and since moving over I have enjoyed exploring New Haven and the surrounding area. Some particular highlights have been biking along the coast and climbing to the top of East Rock Park to watch the sunset. You can also often find me trying out the many local restaurants and bars, which I am always happy to give recommendations for (I have a spreadsheet of all the happy hours!)."

Look for some of her recommendations on our CampusGroups page in the coming weeks. <https://bit.ly/2Wg6kY0> [1]
