

## **Maddy Tessier-Kay**

Today we introduce you to Maddy Tessier-Kay, the last (but certainly not least) member of our Orientation Team!

"My name is Maddy Tessier-Kay and I will be a second-year MPH student studying chronic disease epidemiology at the Yale School of Public Health. I'm originally from outside of Philadelphia and graduated from Harvard College in 2019. A few of my favorite things on campus include Monday night trivia at Gryphon's Pub, swimming at Payne Whitney, and attending shows at the Yale Cabaret. I've absolutely loved my time at Yale so far and can't wait to meet you all!"
