In today's portrait we are featuring Olivia Tan. We hope to see you back on campus Olivia!

"I was born and raised in Singapore and studied at the National University of Singapore for my Bachelor's degree. In August 2019, I was fortunate to be able to come to Yale for an academic year-long exchange - an amazing experience that I will never forget. Although my time at Yale was terminated rather abruptly by the COVID-19 pandemic, the support provided by my friends, professors, and administration at Yale has been so touching. Currently, I am back in Singapore but will definitely return to Yale in the near future and drink my daily constant - Willoughby's Chai Latte."
