

Zayyan Naveed

Drumroll please...introducing you to Zayyan, another wonderful addition to our OISS Student Worker team!

"Hello! My name is Zayyan and I am a freshman in Silliman College and I am planning to major in Economics and Computer Science. I am from Pakistan's second largest city, Lahore. In Lahore, I loved to ride motorcycles and eat biryani, the most scrumptious Pakistani food ever (I am still striving to find a restaurant in New Haven that makes good biryani). At Yale, I am a part of the Yale Machine Learning Club. I am also involved in the Yale Cricket Club and Squash Club. Hope to see you around campus!"
