Paying the OPT Application Fee

You will need to include a check or money order for \$410 USD payable to 'U.S. Department of Homeland Security' with your OPT package.

If you are using a check, it should be linked to a U.S. bank account.

Important Note: Please make sure to:

- Date your check using the **MM/DD/20YY** format, and
- Maintain a high enough balance in the account linked to your check for at least the next two months or until USCIS cashes your check.

Money orders can be purchased at a [Post Office](#) [1] or obtained from your bank (also called a 'cashier's check').

Please see the images below if you need help writing your check or filling out your money order.
