

Logging into OISS Connect

Most of the time you will access OISS Connect through a link on our website that directs you to the specific request you want to make. When you select that link you will be given three options for ways to log in.

Current students will always use the 'Yale NetID and password' option (a).

Alumni on OPT or **Academic Training** will use the 'email address' option (b).

In order to continue, you will need to be logged-in. This wizard will guide you through the steps of authentication.

Please indicate how you will be logging in:

- ☐ I have an active Yale NetID and password. **a**
- ☐ I have been instructed to use my email address to log in. **b**
