Travel Signature

Use this request to obtain a new travel signature on your DS-2019 form.

When to Make This Request

When you first arrived in the U.S. and completed your check-in, you received an electronic DS-2019 in OISS Connect for you to print and use for international travel. This new DS-2019 contains a travel signature from OISS*, which is required for re-entry to the U.S. This signature is valid for one year, or for the duration of your DS-2019 form if your stay is less than one year.

Once your travel signature expires, you can request a new one by following the instructions on this page.

*Only Yale-sponsored visas will have Yale OISS travel signatures. If your visa is sponsored by a third party, your travel signature will be obtained through your sponsor.
