## Report Your Address for F-1 & J-1 Students

All students in F-1 and J-1 status must maintain the following in their SEVIS record:

- Current U.S. Address
- Foreign Address
- U.S. Phone Number (if you have one)

OISS reports this information to SEVIS, but you must first update the information in [YaleHub](#) [1].

Any change in your addresses or phone number must be reported in YaleHub **within 10 days of the change**.

For more information, see the [Immigration & Nationality Act \(INA § 265, 8 U.S.C. 1305\)](#) [2]. If you have any questions about updating your address, please [contact your OISS adviser](#) [3].

3. In the My Address section, find 'OISS Foreign Address' and click on the **Edit** or **Add** button below it:

**Important note:** There is no direct delivery by U.S. mail to Yale buildings, including residential colleges and graduate student housing. Please enter a Mailing address that is not one of these locations to ensure you receive mail from Yale Health, Student Accounts, and Student Employment. Review the [Mailing & Shipping Information page](#) for additional details.

**Choosing an address:**

**Permanent:** Required for all students.

**Local:** All students, except undergraduate students living on campus, must have a current local address. Your local address is where you reside during the term. Unless a mailing address is specified, mail will be sent to your local address.

**Mailing:** Please enter a mailing address, if different from your local address. Paychecks and W2s for student employees are sent to this address. Because there is no direct delivery by U.S. mail to Yale buildings, you may not use the street address of your residential college as your mailing address.

**OISS US Address:** Required for all international students, except those in Yale College living on-campus. Per SEVIS requirements, address must be current. If you will not be in the U.S. this term, please visit [OISS's address page](#) for more information about choosing a U.S. address.

**OISS Foreign Address:** Required for all international students whose permanent address is in the US.

**Diploma:** Diploma mailing address only.

Note: You must enter any required addresses before you will be able to enter optional addresses.
