

## Attend A Tax Workshop with Sprintax

January 25, 2024

All international students and scholars who were in the U.S. for any part of 2023 have certain U.S. tax obligations, including filing an annual federal tax return. To help with this, OISS works with [Sprintax](#) [1], a tax preparation software, to assist you with your taxes.

As a first step, **we highly recommend that you attend one of [Sprintax's upcoming webinars](#) [1]**. This will help you to gather all of the information you need to file your taxes this year.

OISS will be in touch in the coming weeks with more information, and you can find [detailed information about filing your taxes on our website](#) [2].
