Celebrating Earth Day

April 19, 2023

Yale is celebrating Earth Week with a series of programs and stories to highlight the need for climate action and reform. Learn more about how you can participate here [1].

In case you missed it, you can also view a special edition of Molly Makes Less Mess [2], where OISS Associate Director of Engagement celebrated Earth Day by cleaning up trash at New Haven’s Lighthouse Point Park!

Happy Earth Day everyone!
