Celebrating Earth Day

April 20, 2022

Yale is celebrating Earth Week from April 22-May 2 with a series of programs and stories to highlight the need for climate action and reform. Learn more about how you can participate here [1].

In case you missed it, you can also view last year's special edition of Molly Makes Less Mess [2], where OISS Assistant Director for Programs celebrated Earth Day by cleaning up trash at New Haven's Lighthouse Point Park!

Happy Earth Day everyone!
