The month of March is Women's History Month[1] and celebrates the contributions women have made around the world! In celebration of International Women's Month, OISS encourages you to browse through our International Women at Yale 50/150 project[2] we put together over the past two years. We highlight international alumnæ—women of all generations and backgrounds from around the world who have gone on to make fascinating and noble contributions in society!

If you have an event coming up in celebration of International Women's Month and would like to feature it on our website or in our newsletter, please email molly.hampton@yale.edu[3].
