Celebrating Pride

April 5, 2022

Starting in April and continuing through June, Yale honors Lesbian, Gay, Bisexual, Transgender, Queer, Intersex, Asexual (LGBTQIA+) communities through Pride celebrations. There are many events, articles, books, films, and opportunities [1] to celebrate this community and learn more.

What are you doing to celebrate this month? Tag OISS on Instagram [2] to let us know and we can help spread the word.
