Cybersecurity Awareness Month Events

October 13, 2021

Yale invites everyone to join them for a month of interactive, engaging, and fun activities to boost your cyber knowledge and skills.

From panel discussions to guest speakers and competitions, these events will help to protect you from cyber-crime and keep you and your identity safe. Check out their website to do your part and be cybersmart [1]!

You can also learn more about common scams and how to avoid them [2] on our website.
