Did you know that Title IX coordinators and the staff at the SHARE Center are here to support you and the entire Yale community? Below are a few fast facts of how these offices can support you during your time at Yale.

**Title IX coordinators** are designated staff and faculty members who can meet with you to discuss options for addressing concerns related to sexual misconduct and gender-based discrimination, assist you with supportive measures and can connect you with other campus resources such as the SHARE Center or the Yale Police. The direction the conversation with a TIX coordinator takes is entirely up to you and you can receive support without making a formal complaint. Title IX coordinators will be sensitive to your concerns and needs and will maintain the privacy of your conversations.

Some examples of the supportive measures they can help with include:

- Academic accommodations (e.g. tutoring, deadline extensions, course changes)
- Workplace accommodations (e.g. schedule changes, reassignments, leaves of absences)
- Residential accommodations on campus (e.g. change in room assignments, residential college transfers)
- Other accommodations, determined on a case-by-case basis.

**The SHARE Center** is a confidential resource with professional staff who can provide counseling, advocacy, and support if you have been impacted by sexual misconduct. SHARE counselors are available for consultations Monday-Friday from 9am-5pm, and can be reached after hours for time-sensitive concerns at 203-432-2000.
