Don't Forget to Update Your U.S. Address

August 13, 2020

As we head into the fall, we wanted to remind you about updating your U.S. address! [1]

The Immigration & Nationality Act (INA § 265, 8 U.S.C. 1305) requires all nonimmigrants and permanent residents, including international students, scholars, and their families, to report any change of residential address in the U.S. to the federal government, within 10 days.

F-1 & J-1 Students: Your Yale SIS account has changed slightly, so make sure to follow the directions listed on our website [2] to enter your U.S. address correctly.

If you will be starting the semester out of the country, you will still need to update your U.S. address. If this is your situation, please use the OISS address as your temporary U.S. address: 421 Temple Street, New Haven, CT 06511. When you make this edit, create a reminder for yourself to change the address to your own residential location once you arrive in the U.S.
