

Fun Winter Break Activities & Resources

December 19, 2020

As we near the end of the semester, we want to wish everyone who is taking finals or writing papers good luck and wish you all well as we head into winter break!

Fun Winter Break Activities

OISS has compiled a series of asynchronous programming filled with things to do, read, listen to, or watch that will help fill your days (and ours) until the next semester. You will find these on our [Programs & Events](#) [1] or [Winter Break](#) [2] pages. We hope something on this list will be of interest, including the ten hours of holiday music on the OISS Holiday Playlist!

We've also compiled a [list of resources](#) [2] to help get you through these long weeks ahead, including mental health and wellness resources and tips to stay active while you're at home. Most importantly, please follow the [safety guidelines](#) [3] offered by the university to keep yourself and others safe.

Enjoy the break and here's to a happier and healthier 2021!

Getting in Touch with OISS

OISS will be closed along with the rest of the university starting on Wednesday, December 23rd and we will return to work on Monday, January 4th. If you have an urgent question that can't wait until January 4th, please [email your adviser](#) [4] with a copy to OISS Director, [Ann Kuhlman](#) [5].
