Get Your Flu Shot Now!

November 13, 2020

The influenza (flu) vaccine is even more important today than in the past because of the COVID-19 pandemic.

Yale Health is offering new options for getting your flu shot this year for all members of our community, regardless of Yale Health enrollment. These options are convenient and safe because you will not encounter crowds. Use the Find Your Flu Shot Tool [1] to review options for getting your flu shot this year and make the choice that works best for you.

Learn more on Yale Health’s website [2] and make a plan to get your flu shot as soon as possible.
