Graduating Students Considering OPT

Our May 2020 graduating class of F-1 students can begin learning about the OPT application process by reviewing the OISS web pages: [https://oiss.yale.edu/immigration/f-1-students/employment/f-1-optional-practical-training](https://oiss.yale.edu/immigration/f-1-students/employment/f-1-optional-practical-training) [1].

USCIS will begin accepting OPT applications in late February and your OISS adviser will soon be in touch about workshop opportunities and instructions specific to your application. General OPT questions can be answered during walk-in advising hours Monday-Friday, 12pm-5pm.
