Meet Veronica, Our Newest Adviser!

September 8, 2022

We are excited to introduce you to our newest OISS Adviser, Veronica Eriksson! Veronica has an M.B.A. and a master’s certificate in Human Resource Management from North Park University in Chicago, Illinois, and a B.A. in Working Life Science/HRM from Karlstad University in Karlstad, Sweden. She grew up not far from Karlstad, and travels back to Sweden to visit friends and family as often as she can.

During undergrad, Veronica spent one semester abroad in Kansas, and one in Toowoomba, Australia. Before coming to Yale, she most recently worked with students at the University of Wisconsin.

We will be announcing Veronica's advising caseload soon, but for now, join us in welcoming her to the team!
