OISS Virtual Drop-In Hours Are Back With A New Schedule!

September 1, 2021

OISS Virtual Drop-In Hours [1] are back for the fall semester! An OISS staff member will be available for quick questions Mondays - Fridays from 12-1pm over Zoom. These drop-in hours are meant for general questions and should not replace an appointment with your OISS adviser [2].

We will do our best to answer your question on the spot, or point you to the right resource to get your questions answered. Thanks for your continued flexibility as we navigate this ongoing public health situation.
