OISS Welcomes Arlen Stabbe To The Team!

February 2, 2022

OISS is thrilled to introduced you to our newest team member and SEVIS Manager, Arlen Stabbe [1].

Arlen's experience managing data at both the K-12 and higher education levels is being put to good use as SEVIS Manager for OISS. He earned a B.S. in Political Science from The University of Scranton, and following a stint in the U.S. Navy, took advantage of the Post-9/11 GI Bill to acquire a M.S. of Information Systems Management from Robert Morris University. As a proud Yinzer [2], Arlen can often be found cheering for whichever Pittsburgh sports team is in season.

Please join us in welcoming Arlen to the team when you see him in the office or around campus!
