Premium Processing Fee Increases

On October 19th 2020 the United States Citizenship and Immigration Services (USCIS) increased the Premium Processing fee used for H1B, O-1 and green card applications from $1,440 to $2,500 effective immediately. Please contact your adviser in OISS [1] if you have been working on an H-1B application. We will probably need a new Premium Processing check to be cut.
