Recording of "How to Talk to Employers about H-1B Sponsorship"

November 8, 2021

Last week, OISS co-hosted a discussion with the Office of Career Strategy on how to approach immigration issues during the job search process. We discussed details of how the H-1B visa works, who can pay fees, what the "cap-subject" schedule is, and other important topics. The OCS Fellows addressed career resources open to the entire Yale community.
