Webinar: What Every International Student Should Know About the U.S. Job Search

January 26, 2022

Interested in hearing how H-1B sponsorship happens from the inside? OCS is hosting Dan Beaudry, former head of campus recruiting at Monster.com [1], to share the potent job search system used by many international students to find U.S. employment. Mr. Beaudry is also the author of Power Ties: The International Student’s Guide to Finding a Job [2] in the U.S.

What you’ll discover in this presentation may surprise you:

- Learn how to secure H-1B sponsorship at companies that have a policy against sponsoring H-1B visas.
- Learn why 80 percent of open jobs are never advertised - and how to find them before anyone else.
- Learn why human resources is often an obstacle instead of a conduit to finding a U.S. job - and how to bypass it.
- Learn why submitting resumes online is not an effective use of your time - and how you can better invest that time.
